

PICKLE IN THE CITY

Pickle in the City is the newest chapter in our journey, proudly following in the footsteps of our original cafe, Pickle in the Middle, which has been serving the Unley Road community for over nine years.

At Pickle in the City, we're passionate about doing things properly. Almost everything we serve is made in-house, with just a few carefully selected exceptions like our pastries, sourdough, and brownies, which we source from the best local artisans.

We believe quality starts with ingredients, so we only work with suppliers we trust: pasture-raised eggs, Barossa Fine Foods bacon, fresh leg ham from Windsor Meats, Fleurieu Milk, Five Senses Coffee, and Prana Chai. Our mission is simple: to deliver the highest quality food and coffee as quickly and consistently as possible.

Whether you're grabbing a takeaway before work or sitting down for a quick lunch, you can expect the same dedication to craft, care, and flavour that's been at the heart of everything we do since day one. Short on Time? Pre-order your coffee or food through our app and skip the queue -fresh, fast, and ready when you are.
